## **OPTAC – A Complete, Flexible Solution**

With over 30 years of experience in the design and manufacture of Tachograph solutions, Stoneridge (previously Veeder-Root) understands your needs. When you buy from Stoneridge you can rest assured that your software solution will not only enable you to meet your legal requirements, now and in the future, but will also work with type-approved Digital Tachographs which is ensured through regular free of charge updates

To order OPTAC or to learn more about the solution, please contact Stoneridge on 08000 73 15 77 or e-mail [optac@stoneridge.com](mailto:optac@stoneridge.com)
